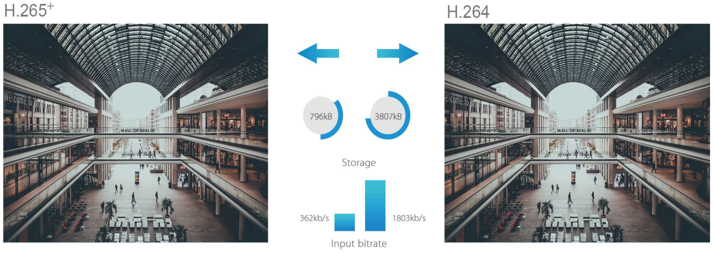
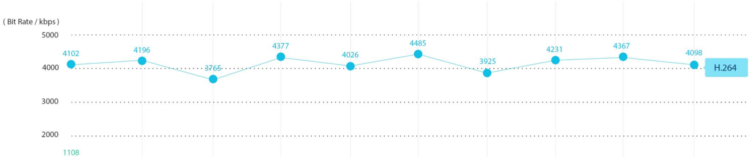
Milesight

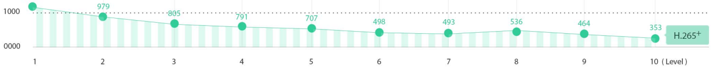
180° Panoramic H.265+ Mini Bullet Network Camera

The 180° Panoramic H.265+ Mini Bullet Network Camera is fit for the applications which are demanding on the field of view, realizing the panoramic viewing experience. Featuring with up to 4K ultra high definition, the ultra mini camera is able to deliver detailed images.

Leading-edge H.265+ Compression







H.265+, the advanced video codec, saves 70%~80% bandwidth compared with H.264

180° Panoramic View

The 180° Panoramic H.265+ Mini Bullet Network Camera is perfect for whole picture viewing experience. It catches 180° horizontal coverage and 95° vertical coverage, achieving 180° panoramic viewing with only single sensor, which is a revolutionary creation in the bullet model.

4K Ultra High Definition

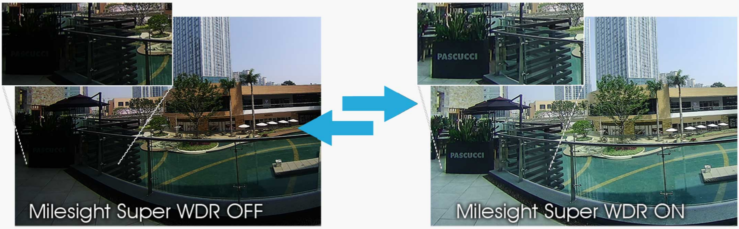
宝龙一城二区2-2号楼LG层—
002-003-MIMO
Original
5X Digital Zoom

The 180° Panoramic $H.265^+$ Mini Bullet Network Camera features with up to 4K ultra high definition which better restores the images to guarantee superb image quality of 3840x2160. The camera is a special model which produces spherical image and will have the dewarp process to adjust the original images to offer presented images. Therefore, the high resolution is vital for the model.

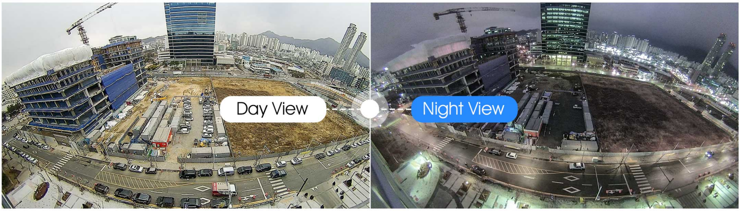
120dB Super WDR



PASCUCCI
Milesight Super WDR OFF
PASCUCCI
Milesight Super WDR ON

Milesight's sensor-based WDR technology allows the 180° Panoramic $H.265^+$ Mini Bullet Network Camera to record greater scene details with true color reproduction even under the extreme back light and high contrast conditions. The ratio that the brightest light signal values divided by the darkest light signal values is up to 120dB.

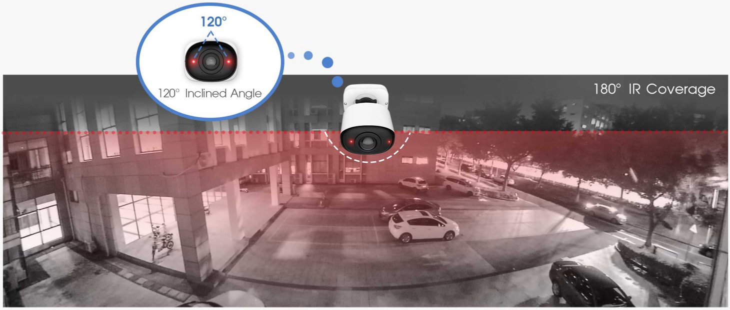
0.005Lux Ultra Low-light



Day View
Night View

The 180° Panoramic H.265$^+$ Mini Bullet Network Camera is able to deliver high detailed color images even in the low light environments reaching 0.005Lux (Color) or 0Lux (B/W), and near infrared light environments without any supplementary lighting.

Revolutionary IR Performance



120°
120° Inclined Angle
180° IR Coverage

To maximize the IR performance, the 180° Panoramic H.265$^+$ Mini Bullet Network Camera innovated both in the structure and technology. With two IR LEDs which has angles to truly realize the 180° IR coverage, the IR design also features adjustable illumination intensity IR LEDs to guarantee IR performance. And the IR reflection is ably avoided by the separated IR LEDs and Lens, achieving the best effect.

Milesight VCA with 10 detection modes provides advanced, accurate smart video analysis for the 180° Panoramic H.265$^+$ Mini Bullet Network Camera, enabling the comprehensive surveillance function and quicker response to different monitoring scenes.

IP67&IK10

Milesight
IP67
IK10

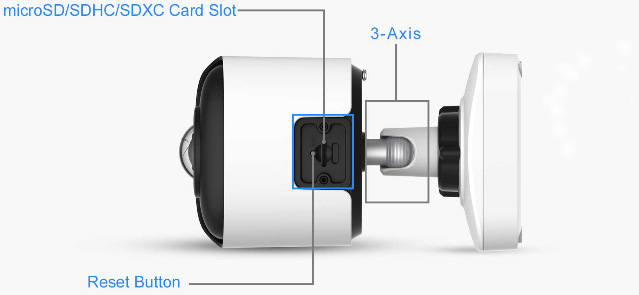
Supporting IP67-rated weather proofing and IK10-rated vandal proofing which are the leading level of the industry, the 180° Panoramic H.265$^+$ Mini Bullet Network Camera is well protected against adverse impacts to ensure the robust performance.

Advanced Built-in Microphone

Microphone

With the built-in microphone which adopts the advanced codec, the 180° Panoramic H.265^{+} Mini Bullet Network Camera is able to provide clearer voice. It is worth mentioning that Milesight uses PTFE Membrane to safeguard the built-in microphone, ensuring IP67-rated weather proof capability for reliable performance.

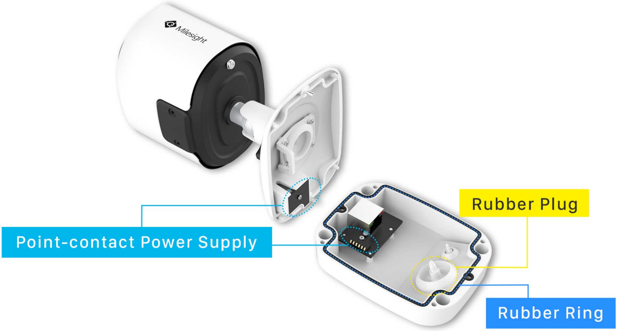
Exquisite Design



microSD/SDHC/SDXC Card Slot
3-Axis
Reset Button

With ultra mini size of 95.8mmX74mmX158.5mm, the 180° Panoramic H.265^{+} Mini Bullet Network Camera is a truly mini bullet with no compromise on the functionality. The considerate structure and the 3-axis mechanical design make sure the network camera's best ease of use, realizing the greatest user experience.

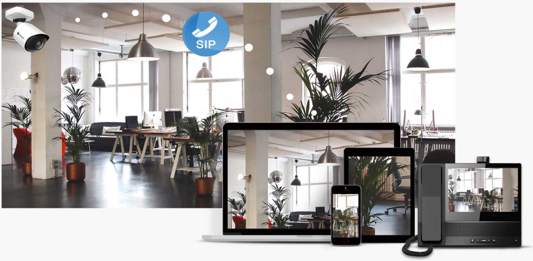
Integrated Junction Box



Milesight
Rubber Plug
Point-contact Power Supply
Rubber Ring

The well-designed Integrated Junction Box ensures efficient and simple installation. It enlarges the space to make cable connection neat and as easy as a piece of cake. With the help of unique IP67-rated weather-proof design and pioneering Point-contact Power Supply, the Integrated Junction Box is able to offer stable operation and supreme user-experience.

SIP/VoIP Support



The 180° Panoramic H.265$^+$ Mini Bullet Network Camera features industry leading SIP/VoIP function and video streaming for mobile phones and video phones.
